

# MRS & MRS QUESTIONS

for your  
hen do

Brought to you by **fizz**box.

## How to play

Select a few of the following questions to ask one of the brides prior to the hen party. You can either film her answering them or simply write them down. However, we can guarantee there will be giggles from the guests when she's filmed answering awkward Mrs and Mrs questions!

The other bride-to-be then guesses her partners answers as each question is read out, and gets a point for each correct answer. This game can also easily be transformed into a drinking game where the brides will have to drink every time they get it wrong.

**So without further delay,  
let's get the party started!**

# Paddle Questions

Brought to you by **fizz**BOX

Another way to play this hilarious game is it to use a paddle. The brides will both get a paddle each that'll be colour coded on both sides. When asking the questions, each bride will need to answer 'me' or 'her'. Make sure they sit back-to-back so they can't see what each other is holding up until they've both made a decision.
